

# Mississippi Official First Day Coin Cover Available November 4, 2002

October 21, 2002

Washington, D.C., October 21, 2002 — The United States Mint today announced that the limited edition of 75,000 Mississippi Official First Day Coin Covers will be available online at [www.usmint.gov](http://www.usmint.gov) beginning 12:00 noon (E.S.T.) on November 4, 2002. The Mississippi Official First Day Coin Cover, which also is available in the United States Mint's annual catalog, features two Mississippi quarters from September 30, the first day of mintage.

Priced at \$19.95, the Mississippi Official First Day Coin Cover includes quarters from both the Philadelphia and Denver Mint facilities on a handsome display card with a 37-cent United States Flag postage stamp.

The postmark of "October 15, 2002, Magnolia, MS 39652" indicates the day Mississippi quarters were released to the Federal Reserve Bank and the public. The Mississippi quarter is the 20th in the 50 State Quarters Program, which honors each of the states in the order that it ratified the Constitution or was admitted into the Union. Five state designs will be issued each year through 2008 at approximately 10-week intervals.

The Mississippi quarter's reverse design showcases the beauty and elegance of the state flower. It combines the blossoms and leaves of two magnolias with the inscription "The Magnolia State."

Customers can purchase the Mississippi Official First Day Coin Covers by using the United States Mint's secure website, [www.usmint.gov](http://www.usmint.gov), or by calling 1-800-USA-MINT (872-6468).
